I am a customer of Dominion Energy

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

The rate increase they are requesting is asinine. They received their initial increase, after stating they would not increase rates once acquiring SCE&G, and now while inflation is hitting all of us at the pump and in the grocery store, Dominion wants to gouge even more out of our wallets. Currently they use 20% of what they charge the customer for fuel costs, and they are specifically citing fuel cost as a need to hike rates AGAIN.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

No.
